NORMAL SPENDS MOST STATE FUND

REPORT SHOWS FEW DEPARTMENTS HAVE BALANCES.

MONTHLY SALARIES AMOUNT TO \$4,234

State School Head, Tutors and Helpers Not Well Paid, Statement Shows—Agriculture Gets Little.

The report of E. E. Williams, treasurer of the State Normal school, for the biennial period of 1913-1914, made public today, shows that the school has little money left on which to operate until the 1915-1916 state appropriation is available. This will not be before March 1, according to Mr. Williams. If the entire appropriation sought, is granted by the legislature this year, however, the next fund will total \$52,778.39. Of this amount \$500 has already been stricken off.

Even if the entire amount would be granted it would leave only \$51,400 for general expenses and improvements, as salaries of educators and helpers at the school would take \$118,820 for the two years. This would provide approximately \$4,951 a month for salaries.

The present monthly payroll totals \$4,234.15, according to the report of President Ira Richardson of the Normal, which is included with Treasurer Williams' biennial report. The salary appropriation for 1911-1912 was \$90,000.

The report of Treasurer Williams of the various auxiliary funds for the years 1913-1914 shows the following receipts by appropriation and other sources:

Salary	\$ 92,898.85

COLDEST DAY IN 3 YEARS

Mercury Goes to 18 Below This Morning—Lowest Since January 20, 1912.

When the mercury in the government thermometer here registered 18 degrees below zero at daylight this morning, it broke all low temperature records since January 20, 1912, when the temperature was 28 degrees below zero. But it was a still cold that accompanied the frigid wave this morning, so that persons noticed it scarcely more than in December when it went to 10 degrees below.

The readings of J. R. Brink, official observer, showed that the maximum temperature for the twenty-four hours preceding 7 o'clock this morning was only 5 degrees above zero, while at noon today the cellar temperature of daylight was but slightly varied.

Weather records of Cooper Gooden for the nine years show the following low temperature records of each year:

Below zero	
1914, December 16	11
1913, January 12	11
1912, January 20	28
1911, January 3	14
1909, December 29	10
1908, January 29	3
1907, February 5	9
1906, February 5	4
1905, February 13	25
1899, February 12	28

WAS NOT NODAWAY'S FIRST

Cooper Gooden Says Elan Smith, Ravenwood, Was Earlier Than Burlington Man.

Editor Democrat-Forum:

We see in a recent issue of the Maryville Tribune, a statement that James William Smith of Burlington Junction, who was born near Guilford 73 years ago, was the first born white child in Nodaway county. But such was not the case. Elan Smith, now living near Ravenwood, was born 78 years ago or in 1837, in the best township in the great Plate Purchase, near what is now Ravenwood, Jackson town ship. He lived there many years until he emigrated to Kansas to make his home.

After a few years his heart sighed for the verdant prairies of Missouri's great valleys and he retraced his steps to his early childhood home where he has since resided.

He was born four miles south of where Ravenwood now is, but has lived the last couple of years on a farm two miles southwest of Ravenwood. He is still fairly hale and hearty and enjoys life to the fullest yet. He is the father of four children.

WILL WED ELMO GIRL

Roy L. Whited, Clearmont, and Opal M. White Marry This Afternoon.

A license to marry was issued in the office of the recorder of deeds this morning to Roy L. Whited, 21 years old, of Clearmont, and Miss Opal M. White, 18 years old, of Elmo. The wedding is to take place this afternoon at the home of C. C. Bears at Clearmont. The Rev. E. Watts, pastor of the Baptist church at Clearmont, will perform the ceremony.

The couple will make their home on a farm near Tarkio. Mr. Whited has lived in Clearmont the last two years. Miss White is a daughter of Mr. and Mrs. H. L. White, who live northeast of Elmo.

Returns to St. Joseph.

Mrs. Minnie Whittam of St. Joseph, who has been the guest of Mr. and Mrs. L. L. Holbrook, Mr. and Mrs. J. F. Colby and other friends in Maryville, left today for her home.

DRIFT FROM GOD

BAPTIST EVANGELIST SAYS NEW GENERATION SLOWLY TURNS.

MUST PAY THE PENALTY

The Rev. A. E. Burch Urges Young Women to Be Like the Flower—Fourteen Confess Conversion.

Baptist Revival Topics.
Tonight—"Seeing Eyes."
Friday night—"Where Shall the Ungodly Be?"

Fourteen confessed conversion at the close of Evangelist A. E. Burch's sermon on "The Foolish Answer of the Fool," in a special revival service at the First Baptist church last night. A total of 148 have so far been converted, nearly all of these within the last four days. A solo by Mrs. Burch, "Nobody Knows but Mother," was a feature of the song service.

Evangelist Burch took as his text last night, "What wilt thou say when He shall punish thee?" In explanation of the text and the sermon, he said:

"These words are uttered primarily to God's people. I believe in the final preservation of the saints and the final perseverance of the saints, but I believe we have made too much of it in the years past and gone. I believe God can be trusted all the way along. It is possible for a church to get so careless, so thoughtless that they lose their power and influence. The next generation is going to be an awful drifting away from God. It is up to you and me to be on the job for God 365 days in the year.

"The development we have made in the last few generations is because we have discovered the laws that God made and have been working by those laws.

Girls Observe the Flowers.

"The man that sins against God in a physical way must pay the physical penalty. It is a fact that the child of a drunkard has not the chance that the child of a sober man has. No man has a right to take a drink because of the penalty his child, his home, his family will have to pay.

"This is also true in the mental atmosphere. The man that sins against his intelligence, against his mind, must pay the mental penalty. Victor Hugo has said: 'Our mind is a garden.' We must plant whatsoever seeds we want therein. I would say to the young ladies tonight to plant the beautiful lily of purity; and the pansy, the flower of modesty.

"There are some things I wouldn't plant in that garden. I wouldn't plant the rag weed of neglect and carelessness. It is pitiable for a man to plant in the garden of his mind that which he doesn't expect to reap, for he is sure to reap it. Carelessness planted in the garden of the mind has cost many a fellow his happiness and his usefulness throughout life.

"There is a penalty for the transgression of every law. Many a young man and woman lie on the bed of affliction tonight because they have sinned against the laws of health. Take care of your young bodies now.

It Makes a Man Square.

"I don't believe the dishonest man has any chance for life. If there is one thing the spirit of God does above another, it will make a man square and fair with his fellow men.

"I wonder what the aimless, thoughtless, shiftless class of people will do in that day when God hands back their carelessness, thoughtlessness and shiftlessness, their lack of the care of humanity? How it will seem when God hands back his broken commandments? I wonder what we are going to say for the neglect of the souls of others.

"I don't believe any man can ever get away from an unkind word or an unkind deed until he makes it right. I believe Christ is absolutely essential to make men and women happy here.

"Time never comes back. When the sun sets in the beautiful west tonight he took with him all the beauties and glories of this day. They are all locked in the eternal casket of the past. It is a serious thing to live, and it is a glorious thing to live."

Telephone Manager Will Leave for Chicago Convention.

Harry C. Todd, manager of the Hammo Telephone company, will leave the first of next week for Chicago to attend the nineteenth annual convention of the National Telephone company. The meeting will open February 3 and continue three days. It will be held in the LaSalle hotel.

SEND ONE TO PEN

HARRY WHALEN, ROBBER, GETS TWO YEARS IN PRISON.

BOY TO REFORM SCHOOL

Clarence Gossard, Burlington Junction, Who Stole \$13 from Brother, Goes to Boonville.

Harry Whalen, 20 years old, pleaded guilty again this morning in circuit court to having robbed the office of Dr. W. P. Stuckie at Conception recently, and was sentenced to serve two years in the state penitentiary by Judge W. C. Ellison.

Clarence Gossard, 17 years old, of Burlington Junction, pleaded guilty this morning to having stolen \$13 from his brother, Benjamin Gossard, a few days ago, and was sentenced to serve two years in the state training school for boys at Boonville.

Whalen was saved from a longer sentence only by his age, Judge Ellison announced this morning. It was explained that had it been possible to send him direct to the Boonville institution he would have been given a longer sentence, but because of being compelled to be sent to the state penitentiary, the sentence would be made as light as possible for such an offense.

Asks Governor for Leniency.

Judge Ellison said he would use every power with which he was vested, however, to have Whalen later transferred to the industrial school. In proof of this, he announced he would write a letter to Governor Elliott W. Major, urging the executive to have Whalen transferred from the prison to the reformatory for boys.

This Judge Ellison said he was unable to do directly, but that if the governor saw fit he could order the transfer made. While Whalen says he will be 21 years old next June, he looks scarcely more than 18. He is a "dope" fiend and committed the Conception robbery to satisfy that craving.

Dismisses Ollie Long Case.

Gossard was arrested a few days ago on complaint of Roy N. Spangler, proprietor of the Wabash restaurant at Burlington Junction. He is said to have made other thefts in that town the last year, but never before was arrested.

Harlan Reece, charged on eight counts with gaming, pleaded not guilty when arraigned in court this morning. The case was continued for trial in the April term, and Reece's security bond fixed at \$50 on each count. Bond was furnished.

A mandate charge against Ollie Long of Atchison county was dismissed by the state today. He was to have been tried here soon by Circuit Judge Arch Davis of Chillicothe, special judge in the case.

TO HONOR ROAD IMPROVER

D. Ward King, Drag Expert, May Get \$400 State Marker For Service.

A movement is on foot to erect at Maitland, a marker or boulder, suitably inscribed, by way of tribute to D. Ward King of road drag fame. It will cost about \$400, and the state board of agriculture, of which C. D. Bellows is a member, is taking the matter up, and will ask for an appropriation for that amount.

"Mr. King has taken out several patents on his road machinery," said a member of the board, "but instead of trying to make money out of them for himself, he has placed them at the disposal of the state. I think the state should give him some little recognition while he is still in the flesh."

Whether the monument is erected will depend upon the joint appropriation committee of the state legislature.

3,957 IN MISSOURI MILITIA.

Biennial Report Shows There Are 237 National Guard Officers in State.

The biennial report of Adjutant General John B. O'Meara, just issued, shows that the National Guards of Missouri now comprises complete brigade of three regiments of infantry, to which is attached an additional regiment of infantry, a troop of cavalry, three batteries of field artillery, an ambulance company, a field hospital and a medical corps, making the total strength 237 officers and 3,957 enlisted men.

BURNED WHILE FIGHTING FIRE.

Will Mann Injured in Fire at North Main Street Restaurant.

Will Mann, an employe at the Sells & Smith restaurant, was burned about the face and hands about 7 o'clock last night while attempting to extinguish a fire which broke out in the kitchen of the restaurant. The fire started from a leaky gasoline stove. The flames spread to some linens hanging near the stove and a quantity of the linens and kitchen supplies were burned before the fire was extinguished. Mr. Mann, who was at work there, put out the fire, and in doing so received some severe burns.

The loss to the property was about \$25.

TO REBUILD ROOMS

CONCEPTION COLLEGE WILL REPLACE BURNED QUARTERS.

COSTLY SUPPLIES LOST

Valuable Scientific Apparatus, Botany Supplies, Piano and Musical Instruments Destroyed.

As soon as the necessary arrangements can be made work will be begun on an addition to Conception college building at Conception. New rooms will be built and the entire place remodeled. The work will be done to replace the quarters in the old college, which was burned recently. No attempt will be made to rebuild the old structure. The equipment of the rooms which was saved from the fire has been placed in rooms in the monastery building and the class work carried on there.

The loss, which has not yet been estimated in figures, was heaviest to the botany and physics quarters and laboratories, where a very costly set of scientific apparatus was installed. This was entirely destroyed, together with slides and microscopes, piano, musical instruments and the effects of the college band. One of the most valuable parts of the school property destroyed was an immense number of botanical slides which had been prepared by Father Alphonse, head of the botany department, and which represented a great deal of scientific research and work on the part of the professor.

The remodeling to be done will make the building much more up to date than the old structure.

WOULD KILL CRAIG BILL.

Senate Committee Turns Down Major Measure for State Purchasing Board.

Jefferson City, Jan. 28.—Major bill for the establishment of a state purchasing board to buy supplies for all state institutions, and which was represented in the senate recently by Senator Anderson Craig of Maryville, received a severe blow yesterday, when the senate ways and means committee voted to kill the measure. The bill was presented in the house by Representative Frank H. Farris of Rolla.

It is recognized as the backbone of the administration program. The bill provides for a board of three buyers, each at a salary of \$4,000 per year, with a large force of clerks to assist. No formal report on the bill was made but a committee ballot showed strong sentiment against the Major bill. Another hearing will be given Senator Craig and Representative Farris soon by the senate committee.

TO RESUME SCHOOL SURVEY.

Carnegie Educational Foundation Representative Arrives Today to Continue Normal Study.

Dr. W. F. Learned of New York City, representing the Carnegie Foundation for the Advancement of Education, is expected to arrive in Maryville today from Kansas City to resume his school survey at the State Normal school, according to President Ira Richardson. Dr. Learned was recently here for a couple of weeks, this being the first school in the country to be investigated by the Carnegie Foundation.

DR. D. F. LUCKEY TO REMAIN.

State Veterinarian Withdraws Resignation When Board Refuses to Accept.

Upon refusal of the board of agriculture at Jefferson City yesterday to accept the resignation of Dr. D. F. Luckey, as state veterinarian, his resignation was withdrawn. He intended to leave the state office to accept a better offer with an eastern firm.

C. D. Bellows of Maryville is a member of the board, but he did not attend.

Berlin, Jan. 28.—The British lost one battle cruiser and two destroyers in the attack on the Bleucher Sunday, according to an official statement of the German government.

RUSSIA REPORTS ADVANCE

To Establish Legal Status of Bomb Throwing, Germans Will Be Tried.

Petrograd, Jan. 28.—Reports are heard here of further advances of the Russian army into Prussia. The defeat of counter attacks by the German-Austrian troops in Poland also is reported.

The Novo Vremy states that in order to establish the legal status of bomb dropping, Russia will place the Germans captured in a Zeppelin which recently attacked Labau, on trial. They will be charged with dropping bombs on an undefended town.

MRS. JAMES EVANS DEAD.

Succumbs to Short Illness—Lived in County Many Years.

Mrs. James Evans, living two miles southwest of Bedison, died at 7:30 last night at the family home, her death following a critical illness of about twelve hours. Mrs. Evans has been suffering with a complication of diseases for the past two years, but her case did not develop any serious symptoms until yesterday morning.

Mrs. Evans would have been 59 years old in March. She was born in Ohio and spent her early life there. She was married there to James Evans, and later they came to Nodaway county to live. She is survived by her husband and seven children. The children are Maud, Etta, Guy, Floyd, May, Glen and Roy, all living near Bedison. Mrs. Evans is also survived by a brother, Harley Jones, living near Ravenwood, and two sisters and a brother living in Ohio.

No arrangements will be made for the funeral until the return of a daughter, Miss Maude Evans, who is attending a nurse's training school at Shawnee, Okla., who will arrive at noon tomorrow.

TO HOLD FUNERAL TOMORROW.

Rites for Mrs. Hosca Stone Will Be at Lacy Home.

The funeral services for Mrs. Hosca Stone, who died yesterday morning at the home of her daughter, Mrs. James Lacy, will be held at 1 o'clock tomorrow afternoon at the Lacy home, five miles east of the city. The service will be conducted by the Rev. R. L. Finch, pastor of the First Christian church. The interment will be in Miriam cemetery.

53,612 ATTENDED FARM MEETS

State Agricultural Report Shows Farmers Institutes Last Year Were Well Patronized.

The annual report of Secretary Jewell Mayes to the Missouri State Board of Agriculture sets forth the activities and 1914 results of the state department of agriculture.

The officers of the state board are located by law in the agricultural building of the University, but the department is entirely separate from College of Agriculture.

The work of Farmers' Institutes and meetings addressed in 1914 shows the largest service in the fifty years of history of the Board. The Board's Farmers' Institute lecturers reached 109,113 people in total attendance with 274 meetings, 493 sessions.

In 1913 the attendance at Farmers' Institutes was 53,612 with 240 meetings.

Special attention was given in 1913 and 1914 to the Ozark country. A new mark has not only been made in attendance in 1914 at farm and agricultural meetings, but a new record seems to have been established in that every county has been reached during the biennial period.

The Secretary's report shows that the Board has co-operated with the farmers' institute societies, community clubs, farm advisers, country pastors, and many organizations interested in a more prosperous Missouri. Alfalfa campaigns and country life conferences have received special attention.

TO QUIT THRONE OF DUAL REALM

Emperor Francis Joseph of Austria Arranging to Abdicate.

WILL LEAVE HIS FREE HAND.

Action Said to Be Result of Visit of Archduke and Foreign Minister to Berlin—Kaiser's Attitude Regarding Peace Is Reason.

Geneva, Switzerland, Jan. 28.—According to advices from Innsbruck, in the Austrian crown lands of Tyrol, Emperor Francis Joseph of Austria is arranging to abdicate, it being said that he is unable to agree with the views of Emperor William on military affairs and also because of the German emperor's attitude regarding peace.

The Austrian emperor adopted this course, the advices from Innsbruck say, as the result of the recent visit to Berlin of Archduke Charles Francis, the Austrian heir apparent, and of Baron von Burian, the Austro-Hungarian minister of foreign affairs. The Austrian emperor, it is added, desires to leave his successor with a free hand.

RUSS BLOCK TENSION EFFORTS

Attempts to Take Offensive in Both Poland and Galicia Repulsed.

Petrograd, Jan. 28.—The general staff of the Russian army gave out a report on the progress of the fighting which reads as follows:

"In the Pilsken region our troops took the offensive and drove all the detachments of the enemy who opposed them back toward the line from Malvisohken to Lasdenen. During this operation we dislodged them from many of their positions after fighting at the point of the bayonet. On the right bank of the river Vistula there have been advance guard engagements of minor importance.

"To the left of the Vistula the Germans had made some fresh efforts to assume the offensive, particularly near the villages of Borjow and Goumine, but each time they were driven back with serious losses. In the vicinity of the villages of Grabskieboudy and Rouda our fire reduced two German batteries to silence.

"In Galicia the activity of the enemy has increased on the front between Gasdik, Oujck, Nijneberetsk and Maidanks, where the enemy, in addition to his artillery fire, made other endeavors to operate on the offensive. He was, however, everywhere driven back. We took prisoners three officers and about 300 soldiers."

FRENCH OFFICIAL REPORT

Germans Checked Near La Bassée and Lost 1,500 Men Near Ypres.

Paris, Jan. 28.—The French report given out by the war office, says the customary artillery exchanges took place, and that the Germans lost near Ypres what amounted to a battalion and a half of men (one German battalion contains 1,000 men). The French claim also that a check was administered to the Germans near La Bassée. Here the losses of the Germans are placed at two battalions.

Comes the frequent need of consulting an Optician.

Most elderly people find their eyes changing from year to year.

This is natural, and calls for a more frequent change of lenses than is necessary in earlier years.

If you need Optical assistance at all, you need My Kind.

EMPIRE PRESENTS GOOD SHOW.

Characters in "45 Minutes from Broadway" Fine, But Small House Greets Them.

It was a small audience which witnessed the presentation of "45 Minutes from Broadway" at the Empire theater last night. But it saw, in this musical play of George Cohan's one of the best comedies that has appeared so far this season in Maryville.

The song numbers were good, as was also the scenery, although some was necessarily omitted because of lack of stage room, but the real quality of the play was displayed in the unusually strong cast of characters.

Of course Cbrinne as Mary Jane Jen-

kins, the housemaid, who falls heir to the Castleton million, and Bernard Riggs as Kid Burns, who evidently marries Mary and lives happily after were the stars, as they were meant to be, but they were not lacking in support.

Jack Rollens as Tom Bennett, heir at-law, but final loser; William J. Florence as Daniel Cronin, the villain Harry L. Baker, the butler, and Susan Chisnell as Mrs. Purdy, the aged New Rochelle resident, and Rose Stillman as Mrs. David Deane, with a "past," acted their assigned parts ably.

Mrs. Jacob Linebaugh of Clearmont has been very ill for the past few weeks.

YOU'RE BILIOUS AND COSTIVE!—CASCARETS

Sick Headache, Bad Breath, Sour Stomach, Measly Liver and Bowels Clogged—Clean Up Tonight. Get a 10-cent box now.

Furred tongue, bad colds, indigestion, sallow skin and miserable headache comes from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

HARRY THAW.

Arraigned in New York
On Conspiracy Charge;
Now In Tombs Prison.

© 1915, by American Press Association.

THAW TRIAL IS SET FOR FEB. 23

Pleads Not Guilty to Charge of Conspiracy.

New York, Jan. 28.—Harry K. Thaw pleaded not guilty to the charge of conspiracy, under which he was brought here from New Hampshire last Sunday. His trial was set for Feb. 23. Meanwhile he is to remain a prisoner in the Tombs, his counsel having agreed not to apply for bail. No attempt will be made by the state to have Thaw committed to the Matteawan asylum, pending his trial unless his lawyers change their decision not to apply for bail. Deputy Attorney General Franklin Kennedy, who is in charge of the state's case, now that William T. Jerome has dropped out of the litigation, made this announcement.

HOLLAND FEARS WAR

Premier Says Netherlands May Be Drawn Into Conflict.

The Hague, Jan. 28.—"We must maintain under the colors our entire army, for at any moment incidents are possible which may render it necessary for us to make an appeal to arms," said P. W. A. Van Der Linden, premier of the Netherlands.

The statement was made in the second chamber of the Dutch parliament when a bill for the extension of the military service was being discussed.

Conviction of Quinlan Is Affirmed.

Trenton, N. J., Jan. 28.—The court of errors and appeals affirmed the conviction of Patrick J. Quinlan, a former leader in the Industrial Workers of the World, charged with inciting disorder in the strike of silk mill workers at Paterson, N. J. Quinlan was sentenced to a maximum term of seven years by the lower court. He is now at liberty on bail.

Exchange Reduces Steel Price.

New York, Jan. 28.—After United States Steel common stock, whose dividend was suspended, had been offered in large lots all day with practically no buyers at its established minimum price of 48, the board of governors of the New York Stock exchange voted at the close of the market to fix for the stock a new minimum price of 43.

Caranza to Drop Bombs Into Capital.

Washington, Jan. 28.—Aeroplane raids and bomb dropping expeditions, the Caranza agency here announced, are to be conducted against Mexico City. Advice to the agency from Vera Cruz say General Hill's army has joined General Obregon for the march on the capital.

Peabody Refuses Place.

Washington, Jan. 28.—George Foster Peabody of New York has declined the appointment to the federal trade commission. Joseph E. Davis of Wisconsin, E. N. Hurley of Chicago and Will H. Parry of Seattle have practically been decided on for three of the five places.

BERLIN CELEBRATES KAISER'S BIRTHDAY

London, Jan. 28.—Emperor William's birthday was celebrated with enthusiasm in Berlin, although with a degree of solemnity which would not have been expected in times of peace. Religious services were held at the headquarters of Emperor William where the emperor delivered an address, expressing his satisfaction with the progress of the war and in which he asked his officers to continue to discharge their duties to the emperor and the fatherland as they hitherto had done.

Emperor William received telegrams of congratulation during the day from Emperor Francis Joseph, the sultan of Turkey and President Wilson.

AM! MY TIRED FEET ACHED SO FOR "TIZ"

"TIZ" Eases Your Sore, Burning, Swollen, Sweaty, Calloused Feet and Corns.

"Just couldn't wait to take my hat off!"

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunion-tortured feet of yours in a "TIZ" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "TIZ" bath.

When your feet feel like lumps of lead—all tired out—just try "TIZ." It's grand—its glorious. Your feet will dance with joy; also you will find all poisonpain gone from corns, callouses and bunions.

There's nothing like "TIZ." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture.

Get a 25 cent box of "TIZ" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.

JOHN D., JR., TALKS TO MOTHER JONES

Rockefeller Says He May Go to Colorado With Her.

New York, Jan. 28.—During the mid-day recess of the federal industrial relations commission, John D. Rockefeller, Jr., and "Mother" Jones had another meeting. They were photographed shaking hands.

"After we have our conference," said "Mother" Jones, "I want you to come out to Colorado with me and see the things I have seen. I am sure what you will see will make you do things which will make you one of the country's greatest men."

Mr. Rockefeller smiled and said, "I'm afraid you are inclined to throw compliments."

"Oh, no," replied "Mother" Jones. "I am more inclined to throw bricks."

Mr. Rockefeller said he might go to Colorado with "Mother" Jones.

At the afternoon session Mr. Rockefeller said that it had been the ideal of the Rockefeller foundation to select the ablest man available to conduct its investigation into industrial relations. With that in mind, Mr. King had been selected. He will be permitted to follow his own methods and plans with the hope on the part of the foundation that the result will be beneficial to humanity as a whole the witness said.

"What do you think is the underlying cause of industrial unrest?" Mr. Rockefeller was asked. "If I thought I knew," he replied, "I would long ago have given utterance to my ideas. I did not believe myself capable of determining the cause. I urged an investigation by the foundation in order to get at the true cause of industrial unrest."

Mr. Rockefeller said that in his opinion employer and employee "do not come face to face often enough."

Embargo Bill Passed Up.

Washington, Jan. 28.—As a result of Secretary of State Bryan's declaration that American interference with the shipment of contraband to the belligerent powers would be a breach of neutrality there will be no action by congress upon the pending bill to place an embargo on the exportation of arms and munitions of war.

House Rejects Bill.

Washington, Jan. 28.—Against the united protest of Democratic Leader Underwood and the entire membership of the interstate commerce committee, the house rejected the senate bill to equalize allowances and increase the personnel and compensation of officers of the public health service.

Fighting at El Kantara.

Cairo, Egypt, Jan. 28.—An engagement occurred to the eastward of El Kantara, in Egypt, presumably with the advance guard of a Turkish army.

SIX ANTI-LIQUOR BILLS UP

State Legislature Gets Many Prohibitions Measures—Affect Maryville.

Six anti-liquor bills have so far been introduced in the state legislature at Jefferson City by the "dry" workers.

They provide for closing the saloons at eight o'clock at night; stringent regulations of shipments into dry territory; precinct option in all cities over 2,000; no saloon within 500 feet (the present distance is 300) of a church or school house; no saloon within five miles of an eleemosynary institution (particularly affecting Cape Girardeau, Kirksville, Warrensburg, Maryville and Springfield); removal of screens from saloon fronts.

To most of those bills the emergency clause is attached which will make them effective on the date of their passage. This of course is a "dry" tactic for slipping one over on the referendum. The "wets" say that the emergency clause will not hold for the reason that no emergency exists.

E. A. Shannon of Audrain, "dry" leader of the house claims from 80 to 90 votes, the required number being 72. Of the 24 senators, nineteen are regarded "dry" and some say twenty.

Guest of the Rickenbrodes.
Miss Grace Callison of Trenton arrived in the city last night from St. Joseph, where she has been visiting friends, and will be the guest of Mr. and Mrs. W. A. Rickenbrode for a few days.

BREAKS A COLD IN JUST A FEW HOURS

"Pape's Cold Compound" Ends Cold and Grippe Misery at Once—Don't Stay Stuffed-Up!

You can end gripe and break up a severe cold either in head, chest, body or limbs, by taking a dose of "Pape's Cold Compound" every two hours until three doses are taken.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed up! Quit blowing and snuffing! Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Be sure you get the genuine.

WILSON MAY MAKE TRIP TO COAST OVERLAND

Washington, Jan. 28.—While plans for President Wilson's trip to San Francisco in March still include passage through the Panama canal and attendance at the formal opening ceremonies, provision is being made as Mr. Wilson could at the last moment change his itinerary and go to the Pacific coast by rail.

It is the president's desire to keep in close touch with the capital and to be able to return on short notice. It was said that preparations were being made to take into account any developments in Mexico or Europe. The legislative situation and the success or the failure of the administration ship bill, with the possibilities of an extra session of congress, are elements in the situation.

JULIA L OFF TILL MARCH 14.

B. A. Jones Will Enter Two-Year-Old Marvel in Supremo Stakes.

According to the Racing Form of Chicago, Julia L., the two-year-old filly owned by B. A. Jones of Parnell, which has been so in the limelight recently at the Juarez, Mexico, races, will not take the track again until March 14. It says:

B. A. Jones states that win or lose Julia L. will not again race until March 14, when she will fill her engagement in the supremo stakes, for two-year-olds of both sexes. At the conclusion of the Juarez meeting, he will ship the daughter of Harrigan to Kentucky to fill her engagement in the Breeders' Futurity and he will also nominate her for the Debutante Stakes, the chief race for two-year-old fillies during the spring meeting of the New Louisville Jockey Club, at Churchill Downs, which event is to be run early in May.

In her races to date, Julia L., has made as great impression as did either Hawthorn or Old Rosebud in their seasons at the Juarez track, and she undoubtedly is a filly of high class, in fact a real speed marvel, with every promise of developing into a stayer as well, as the season advances. Mr. Jones has received several flattering offers for her, but he is not disposed to part with her until after she fills her engagements here and in the two stakes above noted in Kentucky. He is firm in the belief that she will win them all and enter the summer season with an unbeaten record.

There are two-year-olds here that break away from the post quicker than this slashing chestnut filly, but at the end of an eighth of a mile she is well on her stride, passes to the front with ease, and romps home. She has more size than Round the World possessed at the same age and in fact in quality outshines any filly that has recently been developed in Mexico or Kentucky. She looks like the sort of a filly that will develop as a mare into a second Yo Tambien.

TURKISH ARMY INVADES EGYPT

Advance Guard Clashes With British Outposts East of Suez.

COMBAT IS NOT LARGE AFFAIR

Porte's Soldiers Are Obligated to Carry Their Own Water, as Wells Along Way Are Filled Up—Canal Is Strongly Guarded.

WAR BULLETINS

The advance guard of the Turkish army invading Egypt clashed with the British outposts east of the Suez canal. The number engaged was not large and the action was not important or decisive.

The Austrians recaptured Uzeko pass, one of the most important in the Carpathians.

German attacks in the west were made in an attempt to celebrate the emperor's birthday and the forty-fourth anniversary of the capture of Paris, but the allies report the advance repulsed.

The relative positions on the German-Russian battle front is unchanged, neither side even claiming success.

The Germans assert that a British cruiser was lost in the North sea battle, while the British say a second German cruiser was sunk and two more badly damaged.

London, Jan. 28.—The advance guard of the Turkish army, which is undertaking an invasion of Egypt, has reached the British outposts to the east of the Suez canal, where the first skirmish of the war in this region took place.

The fight, according to the official report, apparently was a small affair, only one British officer being wounded, but dispatches from Cairo say the invaders suffered severely from the machine guns of the British troops.

The dispatches do not disclose the size of the Turkish forces, but say the engagement took place to the east of El Kantara, which is on the Suez canal.

The distance from Rafati to El Kantara is 143 miles, and as the British had filled in all the wells along the caravan route, the invaders would have had to carry their own water.

It is believed the fighting of the British forces was with the Arab or Kurdish horsemen employed by the Turks as scouts for the main army under Djemal Pasha.

In the eastern theater of war probably the most important item of news relates to the recapture by the Austrians, as officially announced at Vienna, of Uzeko pass, one of the most important of the Carpathian passes, which has been in the hands of the Russians for several weeks and for the occupation of which there has been much desperate fighting.

In the west, according to the official announcement from the French war office, the allies have succeeded in checking an advance. To the west of Soissons and around Craonne the fighting has been of unusual severity and the Germans are reported to have suffered heavily, leaving 1,000 dead on the field.

Likewise the German statement announces relative successes of the German army and heavy French losses.

Both Sides Claim Sea Fight.

The German government gave out the following official statement:

"In the three hours' fight which cost us the armored cruiser Bluecher one British battle cruiser and two British destroyers were sunk.

The British admiralty issued the following statement:

"The German cruiser Kolberg is reported to have been sunk in Sunday's battle in the North sea."

GARZA FLEES CAPITAL

Leaves Mexico City For Cuernavaca and Convention Forces Hurry Away.

Mexico City, Jan. 28.—Provisional President Garza left the capital today for Cuernavaca, where a new seat of government will be established.

The last contingent of the army of evacuation is hurrying through the streets. The army of occupation is on the outskirts of the city, but is expected to enter soon.

All commercial houses and banks, and even private dwellings are barred and shuttered, although no disorder has attended the fleeing of the forces of Zapata and Villa.

The incoming Carranza forces are commanded by General Alvarado, former post commander here. When they enter the city it is expected some sort of government will be established.

The price of foodstuffs has soared beyond the reach of the needy.

German Officer Killed in Explosion.

Capetown, Jan. 28.—Colonel Seydewitz, commanding the German forces in German Southwest Africa, has been killed at Windhoek, according to advices received here. He was examining hand grenades when one of them accidentally exploded and caused his death.

Military Activity at Suez Canal.

London, Jan. 28.—Dispatches from Cairo state that great military activity prevails at the Suez canal. Troops and warships are being assembled and all civilians are leaving the vicinity of the canal. Important reconnaissance are being made.

GIRLS! STOP WASHING THE HAIR WITH SOAP

Soap Dries Your Scalp, Causing Dandruff, Then Hair Falls Out—Try This Next Time.

After washing your hair with soap always apply a little Danderine to the scalp to invigorate the hair and prevent dryness. Better still, use soap as sparingly as possible, and instead have a "Danderine Hair Cleanse." Just moisten a cloth with Danderine and draw it carefully through your hair, taking one strand at a time. This will remove dust, dirt and excessive oil. In a few moments you will be amazed, your hair will not only be clean, but it will be wavy, fluffy and abundant, and possess an incomparable softness and lustre.

Besides cleansing and beautifying the hair, one application of Danderine dissolves every particle of dandruff; stimulates the scalp, stopping itching and falling hair. Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating and life-producing properties cause the hair to grow long, strong and beautiful.

Men! Ladies! You can surely have lots of charming hair. Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it.

UNCOVERS ANOTHER SPEEDER.

B. A. Jones, Parnell, Sends Her Apparent to the Post and Wins Race.

B. A. Jones of Parnell, who has been winning so many honors recently with his 2-year-old filly, Julia L., at Juarez, Mexico, now steps into the limelight with another "comer." In proof, this dispatch comes from that battle field to George B. Baker here:

While the Laredo handicap at five and one-half furlongs, was the feature of the afternoon's program, chief interest centered in the running of the first event, a 2-year-old affair for colts and geldings that brought out the best field of youngsters that has paraded to the post at this meeting, there being some exceptionally clever young thoroughbreds in this field that were facing the starter for the first time.

The winner turned up in Heir Apparent, a colt from the barn of B. A. Jones, the Missouri turfman, the same stable which also shelters Julia L. and, judging from the performance of Heir Apparent yesterday, it begins to look probable that the best colt, as well as the best filly to be developed at this meeting, will come from the same barn.

Heir Apparent ran like a real thoroughbred yesterday, scoring in a fashion that will lead shrewd observers to believe that he will improve greatly with racing. His was a strenuous task yesterday, for his field was one containing a lot of speed and he was forced to stand a hard drive the entire distance, to dispose of his opposition at the end. He is a colt that, like Julia L., was bred and raised by his owner on the Missouri breeding farm. Jones has sent three of his own breeding to the post at this meeting, in Julia L., That's Me and Heir Apparent, and all three have performed in a manner to lead to the belief that they are going to make the Jones name pretty prominent among the winning owners on the turf the coming season. His Julia L. appears now to be the certain successor of such youngsters as Hawthorne, Pan Zareta and Old Rosebud, as the best developed of the 2-year-olds of the Juarez race meetings.

The youngsters were sent away to a fine start and the favorite, showing a nice turn of speed, was showing the way when they came out of the chute, with Heir Apparent, Tiajan, Handy Andy and Ralph S. all close up. The leaders were all under a strong drive the final quarter and running with remarkable trueeness, considering it was their initial start in their racing careers. Heir Apparent, however, proved himself the best and, answering to Rice's strong urging, with great courage, he gradually asserted himself in the van and increased his slight advantage as they neared the wire, going past the judges a brilliant winner.

Obituary.

Ella Mary Whipp, daughter of B. F. and Lucy J. Whipp, was born in Illinois, October 3, 1863. When about 6 years of age she came with her parents to Nodaway county, Missouri, where the rest of her life was spent.

On Christmas day, 1883, she was married to Warren J. Campbell. Three children were born to them, one dying in infancy. The living are a son, Grover, now of Santa Ana, Cal., and Ida Loree, now 11 years old. At the age of about 17 years Ella became a Christian, and has continued faithful. She, with a brother and sister, were the first persons baptized at the Bethany church, which was built on her father's farm, eight miles west of Barnard. Some six years ago she and her husband removed to Barnard, where she took membership with the Christian church, and has been one of the most earnest and faithful workers. She was the efficient teacher of the Bible class until some six weeks ago, when she became ill, and after intense suffering, which she endured with true Christian fortitude, she passed to her final reward at 2 o'clock p. m., January 23, from her home in Barnard. She had lived 51 years, 3 months and 20 days. She is survived by her husband, son and daughter, both her parents, two brothers and eleven sisters. The parents, brothers and sisters all reside in California, and only the mother and one sister were in attendance at the funeral, which was held at the Christian church in Barnard, January 26. The funeral sermon was preached by her pastor, Elder W. A. Chapman of Rosendale, and was heard by a large number of persons. Burial was in Bethany cemetery.

NORMAL SPENDS MOST STATE FUND

REPORT SHOWS FEW DEPARTMENTS HAVE BALANCES.

MONTHLY SALARIES AMOUNT TO \$4,234

State School Head, Tutors and Helpers Not Well Paid, Statement Shows—Agriculture Gets Little.

The report of E. E. Williams, treasurer of the State Normal school, for the biennial period of 1913-1914, made public today, shows that the school has little money left on which to operate until the 1915-1916 state appropriation is available. This will not be before March 1, according to Mr. Williams. If the entire appropriation sought, is granted by the legislature this year, however, the next fund will total \$52,778.39. Of this amount \$500 has already been stricken off.

Even if the entire amount would be granted it would leave only \$51,400 for general expenses and improvements, as salaries of educators and helpers at the school would take \$118,820 for the two years. This would provide approximately \$4,951 a month for salaries. The present monthly payroll totals \$4,234.15, according to the report of President Ira Richardson of the Normal, which is included with Treasurer Williams' biennial report. The salary appropriation for 1911-1912 was \$90,000.

The report of Treasurer Williams or the various auxiliary funds for the years 1913-1914 shows the following receipts by appropriation and other sources:

Salary	\$ 92,898.85

COLDEST DAY IN 3 YEARS

Mercury Goes to 18 Below This Morning—Lowest Since January 20, 1912.

When the mercury in the government thermometer here registered 18 degrees below zero at daylight this morning, it broke all low temperature records since January 20, 1912, when the temperature was 23 degrees below zero. But it was a still cold that accompanied the frigid wave this morning, so that persons noticed it scarcely more than in December when it went to 10 degrees below.

The readings of J. R. Brink, official observer, showed that the maximum temperature for the twenty-four hours preceding 7 o'clock this morning was only 5 degrees above zero, while at noon today the cellar temperature of daylight was but slightly varied.

Weather records of Cooper Gooden for the nine years show the following low temperature records of each year:

Below zero	
1914, December 16	11
1913, January 12	11
1912, January 20	28
1911, January 3	14
1909, December 29	10
1908, January 29	3
1907, February 5	9
1906, February 5	4
1905, February 13	25
1899, February 12	28

WAS NOT NODAWAY'S FIRST

Cooper Gooden Says Elan Smith, Ravenwood, Was Earlier Than Burlington Man.

Editor Democrat-Forum: We see in a recent issue of the Maryville Tribune, a statement that James William Smith of Burlington Junction, who was born near Guilford 73 years ago, was the first born white child in Nodaway county. But such was not the case. Elan Smith, now living near Ravenwood, was born 78 years ago or in 1837, in the best township in the great Platte Purchase, near what is now Ravenwood, Jackson town ship. He lived there many years until he emigrated to Kansas to make his home.

After a few years his heart sighed for the verdant prairies of Missouri's great valleys and he retraced his steps to his early childhood home where he has since resided.

He was born four miles south of where Ravenwood now is, but has lived the last couple of years on a farm two miles southwest of Ravenwood. He is still fairly hale and hearty and enjoys life to the fullest yet. He is the father of four children.

Maryville, Mo., January 25, 1915.

WILL WED ELMO GIRL.

Roy L. Whited, Clearmont, and Opal M. White Marry This Afternoon.

A license to marry was issued in the office of the recorder of deeds this morning to Roy L. Whited, 21 years old, of Clearmont, and Miss Opal M. White, 18 years old, of Elmo. The wedding is to take place this afternoon at the home of C. C. Bears at Clearmont. The Rev. E. Watts, pastor of the Baptist church at Clearmont, will perform the ceremony.

The couple will make their home on a farm near Tarkio. Mr. Whited has lived in Clearmont the last two years. Miss White is a daughter of Mr. and Mrs. H. L. White, who live northeast of Elmo.

Returns to St. Joseph.

Mrs. Minnie Whittam of St. Joseph, who has been the guest of Mr. and Mrs. L. L. Holbrook, Mr. and Mrs. J. F. Colby and other friends in Maryville, left today for her home.

DRIFT FROM GOD

BAPTIST EVANGELIST SAYS NEW GENERATION SLOWLY TURNS.

MUST PAY THE PENALTY

The Rev. A. E. Burch Urges Young Women to Be Like the Flower—Fourteen Confess Conversion.

Baptist Revival Topics.

Tonight—"Seeing Eyes."
Friday night—"Where Shall the Ungodly Be?"

Fourteen confessed conversion at the close of Evangelist A. E. Burch's sermon on "The Foolish Answer of the Fool," in a special revival service at the First Baptist church last night. A total of 148 have so far been converted, nearly all of these within the last four days. A solo by Mrs. Burch, "Nobody Knows but Mother," was a feature of the song service.

Evangelist Burch took as his text last night, "What wilt thou say when He shall punish thee?" In explanation of the text and the sermon, he said:

"These words are uttered primarily to God's people. I believe in the final preservation of the saints and the final perseverance of the saints, but I believe we have made too much of it in the years past and gone. I believe God can be trusted all the way along. It is possible for a church to get so careless, so thoughtless that they lose their power and influence. The next generation is going to be an awful drifting away from God. It is up to you and me to be on the job for God 365 days in the year.

"The development we have made in the last few generations is because we have discovered the laws that God made and have been working by those laws.

Girls Observe the Flowers.

"The man that sins against God in a physical way must pay the physical penalty. It is a fact that the child of a drunkard has not the chance that the child of a sober man has. No man has a right to take a drink because of the penalty his child, his home, his family will have to pay.

"This is also true in the mental atmosphere. The man that sins against his intelligence, against his mind, must pay the mental penalty. Victor Hugo has said: 'Our mind is a garden.' We must plant whatsoever seeds we want therein. I would say to the young ladies tonight to plant the beautiful Lily of purity; and the pansy, the flower of modesty.

"There are some things I wouldn't plant in that garden. I wouldn't plant the rag weed of neglect and carelessness. It is pitiable for a man to plant in the garden of his mind that which he doesn't expect to reap, for he is sure to reap it. Carelessness planted in the garden of the mind has cost many a fellow his happiness and his usefulness throughout life.

"There is a penalty for the transgression of every law. Many a young man and woman lie on the bed of affliction tonight because they have sinned against the laws of health. Take care of your young bodies now.

It Makes a Man Square.

"I don't believe the dishonest man has any chance for life. If there is one thing the spirit of God does above all other, it will make a man square and fair with his fellow men.

"I wonder what the aimless, thoughtless, shiftless class of people will do in that day when God hands back their carelessness, thoughtlessness and shiftlessness, their lack of the care of humanity? How it will seem when God hands back his broken commandments? I wonder what we are going to say for the neglect of the souls of others.

"I don't believe any man can ever get away from an unkind word or an unkind deed until he makes it right. I believe Christ is absolutely essential to make men and women happy here.

"Time never comes back. When the sun sets in the beautiful west tonight he took with him all the beauties and glories of this day. They are all locked in the eternal casket of the past. It is a serious thing to live, and it is a glorious thing to live."

HARRY WHALEN, ROBBER, GETS TWO YEARS IN PRISON.

BOY TO REFORM SCHOOL

Clarence Gossard, Burlington Junction, Who Stole \$13 from Brother, Goes to Boonville.

Harry Whalen, 20 years old, pleaded guilty again this morning in circuit court to having robbed the office of Dr. W. P. Stuckle at Conception recently, and was sentenced to serve two years in the state penitentiary by Judge W. C. Ellison.

Clarence Gossard, 17 years old, of Burlington Junction, pleaded guilty this morning to having stolen \$13 from his brother, Benjamin Gossard, a few days ago, and was sentenced to serve two years in the state training school for boys at Boonville.

Whalen was saved from a longer sentence only by his age, Judge Ellison announced this morning. It was explained that had it been possible to send him direct to the Boonville institution he would have been given a longer sentence, but because of being compelled to be sent to the state penitentiary, the sentence would be made as light as possible for such an offense.

Asks Governor for Leniency.

Judge Ellison said he would use every power with which he was vested, however, to have Whalen later transferred to the industrial school. In proof of this, he announced he would write a letter to Governor Elliott W. Major, urging the executive to have Whalen transferred from the prison to the reformatory for boys.

This Judge Ellison said he was unable to do directly, but that if the governor saw fit he could order the transfer made. While Whalen says he will be 21 years old next June, he looks scarcely more than 18. He is a "dope" fiend and committed the Conception robbery to satisfy that craving.

Dismiss Ollie Long Case.

Gossard was arrested a few days ago on complaint of Roy N. Spangler, proprietor of the Wabash restaurant at Burlington Junction. He is said to have made other thefts in that town the last year, but never before was arrested.

Harlan Reece, charged on eight counts with gaming, pleaded not guilty when arraigned in court this morning. The case was continued for trial in the April term, and Reece's security bond fixed at \$50 on each count. Bond was furnished.

A mandate charge against Ollie Long of Atchison county was dismissed by the state today. He was to have been tried here soon by Circuit Judge Arch Davis of Chillicothe, special judge in the case.

TO HONOR ROAD IMPROVER

D. Ward King, Drag Expert, May Get \$400 State Marker For Service.

A movement is on foot to erect at Maitland, a marker or boulder, suitably inscribed, by way of tribute to D. Ward King of road drag fame. It will cost about \$400, and the state board of agriculture, of which C. D. Bellows is a member, is taking the matter up, and will ask for an appropriation for that amount.

"Mr. King has taken out several patents on his road machinery," said a member of the board, "but instead of trying to make money out of them for himself, he has placed them at the disposal of the state. I think the state should give him some little recognition while he is still in the flesh."

Whether the monument is erected will depend upon the joint appropriation committee of the state legislature.

3,957 IN MISSOURI MILITIA.

Biennial Report Shows There Are 237 National Guard Officers In State.

The biennial report of Adjutant General John B. O'Meara, just issued, shows that the National Guards of Missouri now comprises complete brigade of three regiments of infantry, to which is attached an additional regiment of infantry, a troop of cavalry, three batteries of field artillery, an ambulance company, a field hospital and a medical corps, making the total strength 237 officers and 3,957 enlisted men.

BURNED WHILE FIGHTING FIRE.

Will Mann Injured in Fire at North Main Street Restaurant.

Will Mann, an employee at the Seller & Smith restaurant, was burned about the face and hands about 7 o'clock last night while attempting to extinguish a fire which broke out in the kitchen of the restaurant. The fire started from a leaky gasoline stove. The flames spread to some linens hanging near the stove and a quantity of the linens and kitchen supplies were burned before the fire was extinguished. Mr. Mann, who was at work there, put out the fire, and in doing so received some severe burns.

The loss to the property was about \$25.

TO REBUILD ROOMS

CONCEPTION COLLEGE WILL REPLACE BURNED QUARTERS.

COSTLY SUPPLIES LOST

Valuable Scientific Apparatus, Botany Supplies, Piano and Musical Instruments Destroyed.

As soon as the necessary arrangements can be made work will be begun on an addition to Conception college building at Conception. New rooms will be built and the entire place remodeled. The work will be done to replace the quarters in the old college, which was burned recently. No attempt will be made to rebuild the old structure. The equipment of the rooms which was saved from the fire has been placed in rooms in the monastery building and the class work carried on there.

The loss, which has not yet been estimated in figures, was heaviest to the botany and physics quarters and laboratories, where a very costly set of scientific apparatus was installed. This was entirely destroyed, together with slides and microscopes, piano, musical instruments and the effects of the college band. One of the most valuable parts of the school property destroyed was an immense number of botanical slides which had been prepared by Father Alphonse, head of the botany department, and which represented a great deal of scientific research and work on the part of the professor. The remodeling to be done will make the building much more up to date than the old structure.

WOULD KILL CRAIG BILL.

Senate Committee Turns Down Major Measure for State Purchasing Board. Special to Democrat-Forum.

Jefferson City, Jan. 28.—Major bill for the establishment of a state purchasing board to buy supplies for all state institutions, and which was represented in the senate recently by Senator Anderson Craig of Maryville, received a severe blow yesterday, when the senate ways and means committee voted to kill the measure. The bill was presented in the house by Representative Frank H. Farris of Rolla.

It is recognized as the backbone of the administration program. The bill provides for a board of three buyers, each at a salary of \$4,000 per year, with a large force of clerks to assist. No formal report on the bill was made but a committee ballot showed strong sentiment against the Major bill. Another hearing will be given Senator Craig and Representative Farris soon by the senate committee.

TO RESUME SCHOOL SURVEY.

Carnegie Educational Foundation Representative Arrives Today to Continue Normal Study.

Dr. W. F. Learned of New York City, representing the Carnegie Foundation for the Advancement of Education, is expected to arrive in Maryville today from Kansas City to resume his school survey at the State Normal school, according to President Ira Richardson. Dr. Learned was recently here for a couple of weeks, this being the first school in the country to be investigated by the Carnegie Foundation.

DR. D. F. LUCKEY TO REMAIN.

State Veterinarian Withdraws Resignation When Board Refuses to Accept.

Upon refusal of the board of agriculture at Jefferson City yesterday to accept the resignation of Dr. D. F. Luckey, as state veterinarian, his resignation was withdrawn. He intended to leave the state office to accept a better offer with an eastern firm.

C. D. Bellows of Maryville is a member of the board, but he did not attend.

RUSSIA REPORTS ADVANCE

To Establish Legal Status of Bomb Throwing, Germans Will Be Tried.

By American Press.

Petrograd, Jan. 28.—Reports are heard here of further advances of the Russian army into Prussia. The defeat of counter attacks by the German-Austrian troops in Poland also is reported.

The Novo Vremy states that in order to establish the legal status of bomb dropping, Russia will place the Germans captured in a Zeppelin which recently attacked Libau, on trial. They will be charged with dropping bombs on an undefended town.

MRS. JAMES EVANS DEAD.

Succumbs to Short Illness—Lived in County Many Years.

Mrs. James Evans, living two miles southwest of Bedison, died at 7:30 last night at the family home, her death following a critical illness of about twelve hours. Mrs. Evans has been suffering with a complication of diseases for the past two years, but her case did not develop any serious symptoms until yesterday morning.

Mrs. Evans would have been 59 years old in March. She was born in Ohio and spent her early life there. She was married there to James Evans, and later they came to Nodaway county to live. She is survived by her husband and seven children. The children are Maud, Etta, Guy, Floyd, May, Glen and Roy, all living near Bedison. Mrs. Evans is also survived by a brother, Harley Jones, living near Ravenwood, and two sisters and a brother living in Ohio.

No arrangements will be made for the funeral until the return of a daughter, Miss Maude Evans, who is attending a nurse's training school at Shawnee, Okla., who will arrive at noon tomorrow.

TO HOLD FUNERAL TOMORROW.

Rites for Mrs. Hosea Stone Will Be at Lacy Home.

The funeral services for Mrs. Hosea Stone, who died yesterday morning at the home of her daughter, Mrs. James Lacy, will be held at 1 o'clock tomorrow afternoon at the Lacy home, five miles east of the city. The service will be conducted by the Rev. R. L. Finch, pastor of the First Christian church. The interment will be in Miriam cemetery.

FORMER COUNTY RESIDENT DIES.

Funeral for Edwin Stokes Held Tuesday at Mound City.

Edwin Stokes, a former resident of Skidmore, died Sunday evening at the home of his sister, Mrs. Henry Shawgo of Mound City.

The funeral services were held Tuesday and the body buried in Liberty cemetery, near Mound City.

While living at Skidmore, Mr. Stokes was engaged in the restaurant business. He is survived by a wife, mother and sister, living in Mound City and by two sons, Ralph Stokes of Elmira, Ia., and Carroll Stokes of Skidmore.

Here from Illinois.

C. B. McIntosh of Rockford, Ill., arrived in the city yesterday to spend a few days visiting Prof. P. O. Landon.

IF WOMEN ONLY KNEW,

What a Heap of Happiness It Would Bring to Maryville Homes.

Hard to do housework with an aching back. Brings you hours of misery at leisure or at work.

If women only knew the cause—that Backache pains often come from weak kidneys.

'Twould save much needless woe. Doan's Kidney Pills are for weak kidneys.

Read what a Maryville citizen says: Mrs. Martha Partridge, 801 E. Fourth street, Maryville, says: "I suffered from kidney and bladder complaint and was all run down. Doan's Kidney Pills gave me relief."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Partridge had. Foster-Milburn Co., Props., Buffalo, N. Y.

State Agricultural Report Shows Farmers Institutes Last Year Were Well Patronized.

The annual report of Secretary Jewell Mayes to the Missouri State Board of Agriculture sets forth the activities and 1914 results of the state department of agriculture.

The officers of the state board are located by law in the agricultural building of the University, but the department is entirely separate from College of Agriculture.

The work of Farmers' Institutes and meetings addressed in 1914 shows the largest service in the fifty years of history of the Board. The Board's Farmers' Institute lecturers reached 109,113 people in total attendance with 274 meetings, 493 sessions.

In 1913 the attendance at Farmers' Institutes was 53,612 with 240 meetings. Special attention was given in 1913 and 1914 to the Ozark country. A new mark has not only been made in attendance in 1914 at farm and agricultural meetings, but a new record seems to have been established in that every county has been reached during the biennial period.

The Secretary's report shows that the Board has co-operated with the farmers' institute societies, community clubs, farm advisers, country pastors, and many organizations interested in a more prosperous Missouri. Alfalfa campaigns and country life conferences have received special attention.

TO QUIT THRONE OF DUAL REALM

Emperor Francis Joseph of Austria Arranging to Abdicate.

WILL LEAVE HIS FREE HAND.

Action Said to Be Result of Visit of Archduke and Foreign Minister to Berlin—Kaiser's Attitude Regarding Peace Is Reason.

Geneva, Switzerland, Jan. 28.—According to advices from Innsbruck, in the Austrian crown lands of Tyrol, Emperor Francis Joseph of Austria is arranging to abdicate, it being said that he is unable to agree with the views of Emperor William on military affairs and also because of the German emperor's attitude regarding peace.

The Austrian emperor adopted this course, the advices from Innsbruck say, as the result of the recent visit to Berlin of Archduke Charles Francis, the Austrian heir apparent, and of Baron von Burian, the Austro-Hungarian minister of foreign affairs.

The Austrian emperor, it is added, desires to leave his successor with a free hand.

RUSS BLOCK TENSION EFFORTS

Attempts to Take Offensive in Both Poland and Galicia Repulsed.

Petrograd, Jan. 28.—The general staff of the Russian army gave out a report on the progress of the fighting, which reads as follows:

"In the Pilsken region our troops took the offensive and drove all the detachments of the enemy who opposed them back toward the line from Malvisokken to Lasdenen. During this operation we dislodged them from many of their positions after fighting at the point of the bayonet. On the right bank of the river Vistula there have been advance guard engagements of minor importance.

"To the left of the Vistula the Germans had made some fresh efforts to assume the offensive, particularly near the villages of Borjimon and Goumine, but each time they were driven back with serious losses. In the vicinity of the villages of Grabsideboudy and Rouda our fire reduced two German batteries to silence.

"In Galicia the activity of the enemy has increased on the front between Gasdik, Oujek, Nijneberetsk and Maidanks, where the enemy, in addition to his artillery fire, made other endeavors to operate on the offensive. He was, however, everywhere driven back. We took prisoners three officers and about 300 soldiers."

FRENCH OFFICIAL REPORT

Germans Checked Near La Bassee and Lose 1,500 Men Near Ypres.

Paris, Jan. 28.—The French report given out by the war office says the customary artillery exchanges took place, and that the Germans lost near Ypres what amounted to a battalion and a half of men (one German battalion contains 1,000 men). The French claim also that a check was administered to the Germans near La Bassee. Here the losses of the Germans are placed at two battalions.

Wilson to Veto Immigration Bill.
Washington, Jan. 28.—It was stated authoritatively that President Wilson will veto the immigration bill because of the literacy test. This became known after a conference between the president and committees of both houses of congress, which had the measure in charge.

GEORGE HAMILTON, 79, BURIED.

EMPIRE PRESENTS GOOD SHOW.

Characters in "45 Minutes from Broadway" Fine, But Small House Greets Them.

It was a small audience which witnessed the presentation of "45 Minutes from Broadway" at the Empire theater last night. But it saw, in this musical play of George Cohan's one of the best comedies that has appeared so far this season in Maryville.

The song numbers were good, as was also the scenery, although some was necessarily omitted because of lack of stage room, but the real quality of the play was displayed in the unusually strong cast of characters.

Of course Christine as Mary Jane Jen-

kins, the housemaid, who falls heir to the Castleton million, and Bernard Riggs as Kid Burns, who evidently marries Mary and lives happily after were the stars, as they were meant to be, but they were not lacking in support.

Jack Rollens as Tom Bennett, heir-at-law, but final loser; William J. Florence as Daniel Cronin, the villain; Harry L. Baker, the butler, and Susan Chisnell as Mrs. Purdy, the aged New Rochelle resident, and Rose Stillman as Mrs. David Deane, with a "past," acted their assigned parts ably.

Mrs. Jacob Linebaugh of Clearmont has been very ill for the past few weeks.

**YOU'RE BILIOUS AND
COSTIVE!—CASCARETS**

Sick Headache, Bad Breath, Sour Stomach, Measles Liver and Bowels Clogged—Clean Up Tonight.

Get a 10-cent box now.

Furred tongue, bad colds, indigestion, sallow skin and miserable headache comes from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a still barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

HARRY THAW.

Arraigned in New York
On Conspiracy Charge;
Now in Tombs Prison.

© 1915, by American Press Association.

THAW TRIAL IS SET FOR FEB. 23

Pleads Not Guilty to Charge
of Conspiracy.

New York, Jan. 28.—Harry K. Thaw pleaded not guilty to the charge of conspiracy, under which he was brought here from New Hampshire last Sunday. His trial was set for Feb. 23. Meanwhile he is to remain a prisoner in the Tombs, his counsel having agreed not to apply for bail.

No attempt will be made by the state to have Thaw committed to the Matteawan asylum, pending his trial unless his lawyers change their decision not to apply for bail. Deputy Attorney General Franklin Kennedy, who is in charge of the state's case, now that William T. Jerome has dropped out of the litigation, made this announcement.

HOLLAND FEARS WAR

Premier Says Netherlands May Be Drawn Into Conflict.

The Hague, Jan. 28.—"We must maintain under the colors our entire army, for at any moment incidents are possible which may render it necessary for us to make an appeal to arms," said P. W. A. Van Der Linden, premier of the Netherlands.

The statement was made in the second chamber of the Dutch parliament when a bill for the extension of the military service was being discussed.

Conviction of Quinlan Is Affirmed.

Trenton, N. J., Jan. 28.—The court of errors and appeals affirmed the conviction of Patrick J. Quinlan, a former leader in the Industrial Workers of the World, charged with inciting disorder in the strike of silk mill workers at Paterson, N. J. Quinlan was sentenced to a maximum term of seven years by the lower court. He is now at liberty on bail.

Exchange Reduces Steel Price.

New York, Jan. 28.—After United States Steel common stock, whose dividend was suspended, had been offered in large lots all day with practically no buyers at its established minimum price of 48, the board of governors of the New York Stock exchange voted at the close of the market to fix for the stock a new minimum price of 43.

Carranza to Drop Bombs Into Capital.
Washington, Jan. 28.—Aeroplane raids and bomb dropping expeditions, the Carranza agency here announced, are to be conducted against Mexico City. Advice to the agency from Vera Cruz say General Hill's army has joined General Obregon for the march on the capital.

Peabody Refuses Place.

Washington, Jan. 28.—George Foster Peabody of New York has declined the appointment to the federal trade commission. Joseph E. Davis of Wisconsin, E. N. Hurley of Chicago and Will H. Parry of Seattle have practically been decided on for three of the five places.

BERLIN CELEBRATES KAISER'S BIRTHDAY

London, Jan. 28.—Emperor William's birthday was celebrated with enthusiasm in Berlin, although with a degree of solemnity which would not have been expected in times of peace. Religious services were held at the headquarters of Emperor William where the emperor delivered an address, expressing his satisfaction with the progress of the war and in which he asked his officers to continue to discharge their duties to the emperor and the fatherland as they themselves had done.

Emperor William received telegrams of congratulation during the day from Emperor Francis Joseph, the sultan of Turkey and President Wilson.

**AH! MY TIRED FEET
ACHED SO FOR "TIZ"**

"TIZ" Eases Your Sore, Burning, Swollen, Sweaty, Calloused Feet and Corns.

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunion-tortured feet of yours in a "TIZ" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "TIZ" bath.

When your feet feel like lumps of lead—all tired out—just try "TIZ." It's grand—its glorious. Your feet will dance with joy; also you will find all poison pain gone from corns, callouses and bunions.

There's nothing like "TIZ." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture.

Get a 25 cent box of "TIZ" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.

JOHN D., JR., TALKS TO MOTHER JONES

Rockefeller Says He May Go to Colorado With Her.

New York, Jan. 28.—During the midday recess of the federal industrial relations commission, John D. Rockefeller, Jr., and "Mother" Jones had another meeting. They were photographed shaking hands.

"After we have our conference," said "Mother" Jones, "I want you to come out to Colorado with me and see the things I have seen. I am sure what you will see will make you do things which will make you one of the country's greatest men."

Mr. Rockefeller smiled and said, "I'm afraid you are inclined to throw compliments."

"Oh, no," replied "Mother" Jones, "I am more inclined to throw bricks."

Mr. Rockefeller said he might go to Colorado with "Mother" Jones.

At the afternoon session Mr. Rockefeller said that it had been the ideal of the Rockefeller foundation to select the ablest man available to conduct its investigation into industrial relations. With that in mind, Mr. King had been selected. He will be permitted to follow his own methods and plans with the hope on the part of the foundation that the result will be beneficial to humanity as a whole, the witness said.

"What do you think is the underlying cause of industrial unrest?" Mr. Rockefeller was asked. "If I thought I knew," he replied, "I would long ago have given utterance to my ideas. I did not believe myself capable of determining the cause. I urged an investigation by the foundation in order to get at the true cause of industrial unrest."

Mr. Rockefeller said that in his opinion employer and employee "do not come face to face often enough."

Embargo Bill Passed Up.

Washington, Jan. 28.—As a result of Secretary of State Bryan's declaration that American interference with the shipment of contraband to the belligerent powers would be a breach of neutrality there will be no action by congress upon the pending bill to place an embargo on the exportation of arms and munitions of war.

House Rejects Bill.

Washington, Jan. 28.—Against the united protest of Democratic Leaders Underwood and the entire membership of the interstate commerce committee, the house rejected the senate bill to equalize allowances and increase the personnel and compensation of officers of the public health service.

Fighting at El Kantara.

Cairo, Egypt, Jan. 28.—An engagement occurred to the eastward of El Kantara, in Egypt, presumably with the advance guard of a Turkish army.

CHARLES E. STILWELL, ATTORNEY AND COUNSELOR AT LAW. Office over Farmers Trust Company, Maryville, Mo.

Obituary.

Ella Mary Whipp, daughter of B. F. and Lucy J. Whipp, was born in Illinois, October 3, 1863. When about 6 years of age she came with her parents to Nodaway county, Missouri, where the rest of her life was spent.

On Christmas day, 1883, she was married to Warren J. Campbell. Three children were born to them, one dying in infancy. The living are a son, Grover, now of Santa Ana, Cal., and Ida Loree, now 11 years old. At the age of about 17 years Ella became a Christian, and has continued faithful. She, with a brother and sister, were the first persons baptized at the Bethany church, which was built on her father's farm, eight miles west of Barnard. Some six years ago she and her husband removed to Barnard, when she took membership with the Christian church, and has been one of the most earnest and faithful workers. She was the efficient teacher of the Bible class until some six weeks ago, when she became ill, and after intense suffering, which she endured with true Christian fortitude, she passed to her final reward at 2 o'clock p. m., January 23, from her home in Barnard. She had lived 51 years, 3 months and 20 days. She is survived by her husband, son and daughter, both her parents, two brothers and eleven sisters. The parents, brothers and sisters all reside in California, and only the mother and one sister were in attendance at the funeral, which was held at the Christian church in Barnard, January 26. The funeral sermon was preached by her pastor, Elder W. A. Chapman of Rosendale, and was heard by a large number of persons. Burial was in Bethany cemetery.

GIRLS! STOP WASHING THE HAIR WITH SOAP

Soap Dries Your Scalp, Causing Dandruff, Then Hair Falls Out—Try This Next Time.

After washing your hair with soap always apply a little Danderine to the scalp to invigorate the hair and prevent dryness. Better still, use soap as sparingly as possible, and instead have a "Danderine Hair Cleanse." Just moisten a cloth with Danderine and draw it carefully through your hair, taking one strand at a time. This will remove dust, dirt and excessive oil. In a few moments you will be amazed, your hair will not only be clean, but it will be wavy, fluffy and abundant, and possess an incomparable softness and lustre.

Besides cleansing and beautifying the hair, one application of Danderine dissolves every particle of dandruff; stimulates the scalp, stopping itching and falling hair. Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating and life-producing properties cause the hair to grow long, strong and beautiful.

Men! Ladies! You can surely have lots of charming hair. Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it.

UNCOVERS ANOTHER SPEEDER.

B. A. Jones, Parnell, Sends Her Apparent to the Post and Wins Race.

B. A. Jones of Parnell, who has been winning so many honors recently with his 2-year-old filly, Julia L., at Juarez, Mexico, now steps into the limelight with another "comer." In proof, this dispatch comes from that battle field to George B. Baker here:

While the Laredo handicap at five and one-half furlongs, was the feature of the afternoon's program, chief interest centered in the running of the first event, a 2-year-old affair for colts and geldings that brought out the best field of youngsters that has paraded to the post at this meeting, there being some exceptionally clever young thoroughbreds in this field that were facing the starter for the first time.

The winner turned up in Heir Apparent, a colt from the barn of B. A. Jones, the Missouri turfman, the same stable which also shelters Julia L. and, judging from the performance of Heir Apparent yesterday, it begins to look probable that the best colt, as well as the best filly to be developed at this meeting, will come from the same barn.

Heir Apparent ran like a real thoroughbred yesterday, scoring in a fashion that will lead shrewd observers to believe that he will improve greatly with racing. His was a strenuous task yesterday, for his field was one containing a lot of speed and he was forced to stand a hard drive the entire distance, to dispose of his opposition at the end. He is a colt that, like Julia L., was bred and raised by his owner on the Missouri breeding farm. Jones has sent three of his own breeding to the post at this meeting, in Julia L., That's Me and Heir Apparent, and all three have performed in a manner to lead to the belief that they are going to make the Jones name pretty prominent among the winning owners on the turf the coming season. His Julia L. appears now to be the certain successor of such youngsters as Hawthorne, Pan Zareta and Old Rosebud, as the best developed of the 2-year-olds of the Juarez race meetings.

The youngsters were sent away to a fine start and the favorite, showing a nice turn of speed, was showing the way when they came out of the chute, with Heir Apparent, Tiajan, Handy Andy and Ralph S. all close up. The leaders were all under a strong drive the final quarter and running with remarkable truthness, considering it was their initial start in their racing careers. Heir Apparent, however, proved himself the best and, answering to Rice's strong urging, with great courage, he gradually asserted himself in the van and increased his slight advantage as they neared the wire, going past the judges a brilliant winner.

TURKISH ARMY INVADES EGYPT

Advance Guard Clashes With British Outposts East of Suez.

COMBAT IS NOT LARGE AFFAIR

Porte's Soldiers Are Obligated to Carry Their Own Water, as Wells Along Way Are Filled Up—Canal Is Strongly Guarded.

WAR BULLETINS

The advance guard of the Turkish army invading Egypt clashed with the British outposts east of the Suez canal. The number engaged was not large and the action was not important or decisive.

The Austrians recaptured Uzok pass, one of the most important in the Carpathians.

German attacks in the west were made in an attempt to celebrate the emperor's birthday and the forty-fourth anniversary of the capture of Paris, but the allies report the advance repulsed.

The relative positions on the German-Russian battle front is unchanged, neither side even claiming success. The Germans assert that a British cruiser was lost in the North sea battle, while the British say a second German cruiser was sunk and two more badly damaged.

London, Jan. 28.—The advance guard of the Turkish army, which is undertaking an invasion of Egypt, has reached the British outposts to the east of the Suez canal, where the first skirmish of the war in this region took place.

The fight, according to the official report, apparently was a small affair, only one British officer being wounded, but dispatches from Cairo say the invaders suffered severely from the machine guns of the British troops.

The dispatches do not disclose the size of the Turkish forces, but say the engagement took place to the east of El Kantara, which is on the Suez canal.

The distance from Rafati to El Kantara is 143 miles, and as the British had filled in all the wells along the caravan route, the invaders would have had to carry their own water.

It is believed the fighting of the British forces was with the Arab or Kurdish horsemen employed by the Turks as scouts for the main army under Djemal Pasha.

In the eastern theater of war probably the most important item of news relates to the recapture by the Austrians, as officially announced at Vienna, of Uzok pass, one of the most important of the Carpathian passes, which has been in the hands of the Russians for several weeks and for the occupation of which there has been much desperate fighting.

In the west, according to the official announcement from the French war office, the allies have succeeded in checking an advance. To the west of Soissons and around Craonne the fighting has been of unusual severity and the Germans are reported to have suffered heavily, leaving 1,000 dead on the field.

Likewise the German statement announces relative successes of the German army and heavy French losses.

Both Sides Claim Sea Fight.

The German government gave out the following official statement:

"In the three hours' fight which cost us the armored cruiser Bluecher one British battle cruiser and two British destroyers were sunk."

The British admiralty issued the following statement:

"The German cruiser Kolberg is reported to have been sunk in Sunday's battle in the North sea."

GARZA FLEES CAPITAL

Leaves Mexico City For Cuernavaca and Convention Forces Hurry Away.

Mexico City, Jan. 28.—Provisional President Garza left the capital today for Cuernavaca, where a new seat of government will be established.

The last contingent of the army of evacuation is hurrying through the streets. The army of occupation is on the outskirts of the city, but is expected to enter soon.

All commercial houses and banks, and even private dwellings are barred and shuttered, although no disorder has attended the fleeing of the forces of Zapata and Villa.

The incoming Carranza forces are commanded by General Alvarado, former post commander here. When they enter the city it is expected some sort of government will be established.

The price of foodstuffs has soared beyond the reach of the needy.

German Officer Killed In Explosion.

Capetown, Jan. 28.—Colonel Seydebreck, commanding the German forces in German Southwest Africa, has been killed at Windhoek, according to advices received here. He was examining land grenades when one of them accidentally exploded and caused his death.

Military Activity at Suez Canal.

London, Jan. 28.—Dispatches from Cairo state that great military activity prevails at the Suez canal. Troops and warships are being assembled and all civilians are leaving the vicinity of the canal. Important reconnaissances are being made.

BREAKS A COLD IN JUST A FEW HOURS

"Pape's Cold Compound" Ends Cold and Grippe Misery at Once—Don't Stay Stuffed-Up!

You can end grippe and break up a severe cold either in head, chest, body or limbs, by taking a dose of "Pape's Cold Compound" every two hours until three doses are taken.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

WILSON MAY MAKE TRIP TO COAST OVERLAND

Washington, Jan. 28.—While plans for President Wilson's trip to San Francisco in March still include passage through the Panama canal and attendance at the formal opening ceremonies, provision is being made so Mr. Wilson could at the last moment change his itinerary and go to the Pacific coast by rail.

It is the president's desire to keep in close touch with the capital and to be able to return on short notice. It was said that preparations were being made to take into account any developments in Mexico or Europe. The legislative situation and the success or failure of the administration ship bill, with the possibilities of an extra session of congress, are elements in the situation.

JULIA L OFF TILL MARCH 14.

B. A. Jones Will Enter Two-Year-Old Marvel in Supremo Stakes.

According to the Racing Form of Chicago, Julia L., the two-year-old filly owned by B. A. Jones of Parnell, which has been so in the limelight recently at the Juarez, Mexico, races, will not take the track again until March 14. It says:

B. A. Jones states that win or lose Julia L. will not again race until March 14, when she will fill her engagement in the Supremo Stakes, for two-year-olds of both sexes. At the conclusion of the Juarez meeting, he will ship the daughter of Harrigan to Kentucky to fill her engagement in the Breeders' Futurity and he will also nominate her for the Debutante Stakes, the chief race for two-year-old fillies during the spring meeting of the New Louisville Jockey Club, at Churchill Downs, which event is to be run early in May.

In her races to date, Julia L. has made as great impression as did either Hawthorn or Old Rosebud in their seasons at the Juarez track, and she undoubtedly is a filly of high class, in fact a real speed marvel, with every promise of developing into a stayer as well as the season advances. Mr. Jones has received several flattering offers for her, but he is not disposed to part with her until after she fills her engagements here and in the two stakes above noted in Kentucky. He is firm in the belief that she will win them all and enter the summer season with an unbeaten record.

There are two-year-olds here that break away from the post quicker than this slashing chestnut filly, but at the end of an eighth of a mile she is well on her stride, passes to the front with ease, and romps home. She has more size than Round the World possessed at the same age and in fact in quality outshines any filly that has recently been developed in Mexico or Kentucky. She looks like the sort of a filly that will develop as a mare into a second Yo Tambien.

SIX ANTI-LIQUOR BILLS UP

State Legislature Gets Many Prohibitions Measures—Affect Maryville.

Six anti-liquor bills have so far been introduced in the state legislature at Jefferson City by the "dry" workers.

They provide for closing the saloons at eight o'clock at night; stringent regulations of shipments into dry territory; precinct option in all cities over 2,000; no saloon within 500 feet (the present distance is 300) of a church or school house; no saloon within five miles of an eleemosynary institution (particularly affecting Cape Girardeau, Kirksville, Warrensburg, Maryville and Springfield); removal of screens from saloon fronts.

To most of those bills the emergency clause is attached which will make them effective on the date of their passage. This of course is a "dry" tactic for slipping one over on the referendum. The "wets" say that the emergency clause will not hold for the reason that no emergency exists.

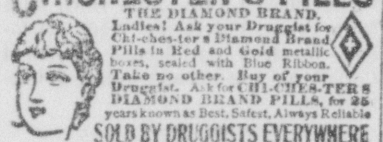

E. A. Shannon of Audrain, "dry" leader of the house claims from 80 to 90 votes, the required number being 72. Of the 34 senators, nineteen are regarded "dry" and some say twenty.

Guest of the Rickenbrodes. Miss Grace Callison of Trenton arrived in the city last night from St. Joseph, where she has been visiting friends, and will be the guest of Mr. and Mrs. W. A. Rickenbrode for a few days.
